Executive summary

Dr. Pankaj Shah
President

Respected Donors and well-wishers of SANJIVANI,

It gives me great pleasure to present our 20th Annual Report, depicting glorious 20 years of successful journey of NGO continuously providing Primary Rural Health Care with Various Facets.

A small initiative of providing primary healthcare to flood devastated villages of Kheda district in the year 2005, has now established itself as a symbol of transparency, credibility and commitment with passion in the field of not only Healthcare but also in Education as well as Woman Empowerment.

As you all know that this achievement is not possible individually. It is with blessings and generous financial support from our sympathetic and enlightened donors, both corporate partners and individual donors, Hard work and dedication of team of Trustees, Program Executives, Program Co-ordinators, Doctors, Volunteers, and respected Consulting Doctors of various faculty. Our Team, Sanjivani Parivar has worked hard throughout since inception to achieve the goal of **"Give back to society"**.

We are thankful to our corporate partners for the continuous support in our mission "Give back to Society".

This year we are going to celebrate two decades journey in a function held on 5-10-2025 at D.K. Patel Hall Naranpura Ahmedabad. This is also going to be possible with generous financial support from Donor.

For any social gathering or function of Sanjivani over these years, no amount is spent from donations received for any project. This Expenditure is met with donations raised for the event separately.

Sanjivani has Proved it self as Symbole of Dedication Devotion, Passion, Transparency and Accountability.

A small initiative of providing primary healthcare to flood devastated villages of Kheda district in the year 2005 has now established itself as a symbol of transparency, credibility and commitment with passion in the field of not only Healthcare but also in Education as well as Women Empowerment.

Our main focus has been early detection, awareness and regular treatment for NCD (Non-Communicable Diseases) Like Hypertension, Diabetes, Heart disease and cancer since inception.

Rural Healthcare Project :-

With improved government health infrastructure and availability of qualified medical services and Diagnostic Services at taluka level and certain village level, We have restricted our coverage of villages and are now we are focusing in villages having population around 2000 to 4000, where no such qualified services are easily available. At present, we are covering 154 villages round the year at interval of 28 days and provide basic healthcare services keeping in mind NCD.

TMV STAFF at Camp Site

of underserved and marginalised rural population. We have observed that by giving these services regularly at the doorstep, the incidents of heart diseases, heart failure, brain stroke, and kidney failure -CKD has reduced considerably due to early intervention, detection and treatment, and also results in decrease in rate of Hospitalization reducing financial burdon on family of patients and load on hospitals.

DR K K Shah in a medical Camp

In Sanitary napkin project this year we have received 1,10,000 pads as donation from M/s K A Enterprises through Mr. Dipakbhai Shah. Also, we have purchased 1,60,000 + sanitary pads (26,700 pack of six pads) and distributed to rural women and school girls with the help of local volunteers at villages at highly subsidised rates, and 1,10,000 pads free to school girls.

Our telemedicine van donated by Waghbakri Foundation, couple of years ago is equipped with online ECG facility and mobile Pathology laboratory which operates on pre- planned routes covering all 154 villages every three months

The Model of our rural project which provides medical service at village level is unique one which regularly provides medical services with primary focus on NCD (non- communicable diseases) like hypertension, diabetes, heart disease, and kidney disease in particular which we have found to be of immense value in providing early detection and best available treatment by qualified doctors at doorstep

ECG being taken in Mobile Tele medicine Van

Daily six villages are being covered by our medical team at every 28 days cycle as per fixed schedule program. On every Sunday, our Dental and Ophthalmic van provides basic eye check-up, dental check-up as well as primary dental treatment and spectacle distribution service covering 50 villages each by both van every year. On Sunday one regular medical van is also providing service which covers six villages and arranging 72 camps per year.

At the completion of 20 years of Sanjivani Health and Relief Committee, I would like to highlight few facts and figures since 2005

- we have been instrumental in providing primary healthcare to 18,40,000 patients
- dental treatment and advise to 76,000+ patients
- checked vision for 50,175 out of them, 40,878 patients were given READING glasses
- through our telemedicine van program, We have provided ECG service to 24,313 Patients of hypertension and or Diabetes
- checked 5,51,260 patients for hypertension and diabetes, and those who had hypertension and/or diabetes were provided medicines regularly at just token rate of ₹40 for one month
- Under women empowerment project, We have arranged adolescent health counselling and sanitary pad distribution camps to more than 184 schools of Kheda, Ahmedabad and Gandhinagar district, and till date we have distributed more than 27,81,719 sanitary pads
- Under our Mobile pathology project, we have provided laboratory test like haemoglobin, cholesterol, and creatinine to 14,292 patients.
- Over this 20 year, we have arranged more than 44,385 medical camps in villages.

We are fortunate to get a sponsorship for villages under CSR program of various companies like Waghbakri foundation, Jewlex Middle East by Nishith bhai Kothari and family, IMSPL group of companies, La Pharmaceutical and Manilal Gandhi Vanprasthashram in our project this year and in past many corporates like AB Chritable foundation, AIA Engineering, State bank of India, Gruh Finance Ltd, SBI Life and many more have supported our project.

Our Shrimati Chandraben Piyushbhai Kothari SANJIVANI dialysis centre is progressing consistently Since inception in July 2021. Till now we have provided more than 14,000 dialysis procedures to large number patients. We are empanelled with PMJAY since November 22 before that we had performed 2350 dialysis procedures free of cost and also those unfortunate patients who are not having PMJAY card and having financial constraint, are being provided this dialysis service free or at discounted rate.

In July 2021 we had started with five dialysis machines. With the generous support of donors and hard work and dedication of our well-trained qualified staff, we have implemented expansion and our Number of Beds have increased to 12 with 12 latest Fresenius dialysis machine and provide 500-550 procedures every month of which nearly 50-55 patients without PMJAY card are provided free service or at discounted rate. We have performed all dialysis without any major complications.

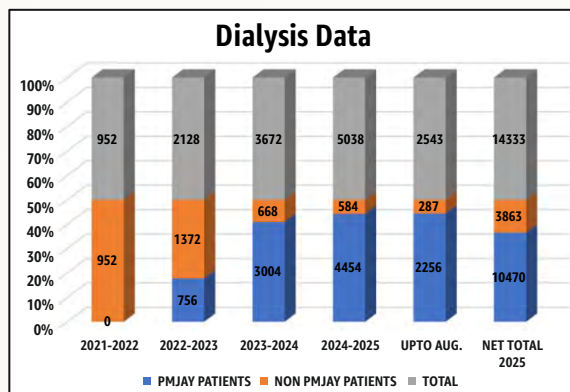

There are no hidden cost for supplies or medicines, disposable injectables and investigations with the help of donation received for this purpose.

Managed by Padmavati Education Trust

In education activity of Sanjivani run through Padmavati education trust at Shiv Shala Complex, Barej Road Vasna, Ahmedabad. We are happy to note that with financial support from Donors this year, we have reached various milestones.

- Our School is equipped with 14 smart boards connected with internet so that student from this class of society can also remain in touch with the happenings in the world with various events and get better quality of Hitech education

- We also have added a well organised library as well as science laboratory, so that students can get acquainted with various instrument and scientific projects which come in their study. Last year, we had conducted educational fair science exhibition where the creativity and imagination power of student was demonstrated very well. all festivals are celebrated at school.
- Students at our school are given freshly prepared snacks

Notebook Distribution by A B Charitable Foundation

- We were fortunate to get financial support over last 5 years from AMI Life Sciences, Vadodara and for current year.
- We are thankful to Shri Chandrakant Patel of Mamta Machinery Private Limited for the financial aid to our school for midday Snacks project .

with constant follow-up with the parents and regular parents' meetings, The results and performance of the student is discussed with them and with joint effort of parents and students and our enthusiastic teachers We are gradually improving on our overall result at all standards
